

# Tree Lok™ Fasteners

Ball head design fits neatly into plain bored hole or optional mating receptacle to securely lock access panels. Permits easy panel opening with moderate pressure.

**Note:** Mating receptacles must be ordered separately.

Ball Part No.	Style	Hole Size Panel Thick. (prong)	Receptacle Part No.	Hole Size Panel Thickness
320-322880-00	Standard Ball	.437 Dia.	320-221401-00	.562 Dia. Hole Min. .468 Panel
320-322880-01	Standoff Ball	.437 Dia.	320-221401-00	.562 Dia. Hole Min. .468 Panel
320-322880-03	Mini Ball	.312 Dia.	320-221401-01	.406 Dia. Hole Min. .137 Panel

**Colours:** Add suffix 0101 for natural nylon 6 or suffix 0075 for black.
