

## Nylon Carriage Bolts

Part No.	Length	A	B	C
1420X.500CB	1/2	.570	.130	.140
1420X.750CB	3/4	.570	.130	.170
1420X1.000CB	1	.575	.130	.140

## Moulded Nylon Nails

For use where electrical or thermal insulation is needed, or metal might spark and cause explosion. This non-staining, weatherproof, resilient nail is easily driven

into soft materials or pre-drilled undersize holes. Good choice for fibreglass roofing and siding jobs, marine construction.

Part No.	Head (flat)	Body
NA 1L	1/4 X 1/16	1/8 X 1-1/4
